Connecting **refugees** and **people seeking asylum** in **England** with the services they need

Our Infoline service is a short term project to support people during the Covid-19 pandemic until 31.03.2021. We will help connect and signpost you to information and services who can help and support you.

If you are seeking asylum or have refugee status please call our Freephone number on **0808 196 7272**. Please leave a message with your name, number and the language you wish to speak in. We will call you back with an interpreter within three days.
