

## **Empowering Places Project Coordinator**

**Full-time post 37.5 hours per week**

**Salary £30,361.50 pa**

**Are you a creative, community-minded outcome focussed leader? Do you have the ambition, empathy and drive to support local people to identify opportunities for community business and work with them to make their visions reality? Can you lead a dedicated team of Community Organisers to listen to and empower communities in North East Lincolnshire?**

**Empowering Places is an exciting project which offers a supportive, person centred approach to nurturing ambition for community business potential in NEL.**

We have an opening for an open minded and creative person to lead this amazing team into the next phase of the project. Based at Centre4 in Grimsby, the successful applicant will continue building a network of sustainable community businesses in the Nunsthorpe and Bradley Park area.

We are looking for a positive, enthusiastic and motivated leader who will build on the success of the project to date to widen the offer across the whole of North East Lincolnshire, ensuring that everyone who could benefit from the project has the opportunity to do so by exploring opportunities to create an accessible community business development model

The successful person should be able to quickly build positive, supportive and motivational relationships; have a strong commitment to strategic outcomes and visionary insight to continue the development of a project that will have long-lasting impact on the local economy. You will be comfortable working with local people to explore new community business ideas, as well as young people and with local and national partners including other Empowering Places funded organisations across the country. In order to succeed you will have great knowledge of community development, coaching for business development, strong planning and organising skills and the ability to juggle many strands of activity. You will also be responsible for monitoring, evaluating, impact measurement and feedback to key stakeholders and promoting the project locally and nationally. You will have excellent written and verbal communication skills as well as a working knowledge of IT packages such as MS Outlook, Excel and Word.
