

Ambassadors Cohort3 - Open day

Are you interested in joining our 3rd cohort of our Core20PLUS5 Ambassadors? Do you want to find out more about the programme?

Join us for our Core20PLUS5 Ambassadors Cohort3 Open Day on 20 June 2024 from 11am – 12pm. The session will outline the programme application process, provide an opportunity for us to share our objectives and responsibilities; both ours and yours, and most importantly provide an opportunity for you to ask questions. The session will be led by Abdul Hamied Deputy Director, Healthcare Inequalities Improvement Programme, NHS England.

Registration for the event will close on June 19, 2024 at 5 pm. Please note the registration will not commit you to the programme it is to provide information only.

If you know of any colleagues who might also be interested, please feel free to [share this link](#) with them.

We hope to see you there.
