Dear Colleagues,

**Booking Open!**

**Dementia: Hope of a Life Still to be Lived**

**Humber and North Yorkshire Health and Care Partnership**

**Mental Health, Learning Disabilities and Autism Collaborative Programme**

**Sixth Annual International Conference**

**Thursday 21<sup>st</sup> November 2023 (9.15am – 1.00pm GMT)**

**This conference will take place virtually.**

I am delighted to announce that booking is open for our sixth annual international conference across Humber and North Yorkshire to celebrate the great work that is happening across our mental health, learning disabilities and autism services.

The main theme of this year's conference is dementia. Topics from our Humber and North Yorkshire Showcase will include the Humber and North Yorkshire 3 Year Strategy for Dementia; hearing from North Yorkshire based charity Dementia Forward on the work they do to support local people and their families; and young onset Dementia.

We will be confirming an exciting Keynote Speaker in due course.

We will have national updates from Claire Murdoch, CBE, National Mental Health Director, NHSE and Tom Cahill, National Learning Disability and Autism Director, NHSE, and we will also be joined by Dr Jeremy Isaacs, National Clinical Director for Dementia and Older People's Mental Health, NHSE.

**To book your place, please follow the link: <https://www.trybooking.com/uk/DSL1>**

This is a fantastic opportunity for leaders within mental health, learning disabilities and autism organisations and services to hear first-hand from inspirational speakers and share learning with colleagues from across the country.

We look forward to welcoming you to learn more about the improvements in mental health, learning disabilities and autism services for our patients and their families within our communities.

Yours Faithfully,

A handwritten signature in cursive script, appearing to read 'A Flack', with a long horizontal flourish underneath.
