## INTRODUCING HANDS ON CONSTRUCTION

I am writing with some exciting news for us. Empower Community Interest Company is re-branding our commercial operations to **Hands On Construction** from 1<sup>st</sup> September 2024.

In fact, we have used the Hands On name for many years now but most organisations know us simply as Empower.

We remain a not-for-profit social enterprise with a mission to support the local community in North East Lincolnshire. Our commercial work helps us support our two main focused groups – those facing barriers into employment by providing skills, training and work opportunities and secondly, victims and their families suffering domestic abuse.

We appreciate your continued support and if you have a project or work requirement, we would be happy to come along and discuss your requirements.

We will be launching a new website shortly, and you can also find us on social media.

**Our email for Hands On enquiries is [info@handsonconstruction.co.uk](mailto:info@handsonconstruction.co.uk) or you can call us on 01472 268708.**
