

Booking is Now Open!

Café Aspire

An exciting new venue available for all your training needs! Café Aspire aims to be more than a Café- we aim to support young people and adults with SEN develop skills which will lead to successful employment.

To do this we need YOU!

What can we offer? We are FREE to hire for training events, drop ins, meetings, or anything else your organisation may want a comfortable, warm, and inviting space for.

We can provide competitive tea, coffee and biscuit packages as well as having real barista coffee available for purchase. Our young people will be training as baristas, as well as gaining valuable hospitality experience and qualifications.

The diary is now open for 2025.

Follow us on Facebook for photos of our space and watch as we progress.

Location: 155-159 Freeman Street, Grimsby DN32 7AR
